Tim –

Thanks, this looks good to me.

Karin –

Tim and I jointly refined the cover memo edits. I also added Region 9's edits to the email list. We made no further changes to the other documents. For your convenience, I've attached the refined version of the cover memo, along with all of the other documents, to this message so that you have the complete set in one place.

Kathy,

Thanks for your phone conversation. Attached is the revised Rosemont Cover Memo incorporating your suggested edits we discussed with respect to our overarching margin comment at the beginning of the document, and language in the memo relating to EPA's CAA Section 309 authorities.

Karin/Elaine,

With Kathy's ok, this should be the final version of the Cover Memo. Thanks for your patience!
